2010

Dear Future Home Owner:

This is a reminder about the Four Part Home Stretch workshop. Please check the attached calendar to find the days and times you want to register for the workshop. Classes will be held in Room 300 located outside the elevators on the third floor. Completion of all four evenings is required to receive a certificate.

Please write your name on the “sign-in” sheet before each class, so you’ll get credit for attending.

How to find us:

The Human Service Center is a four story brick building in a residential neighborhood. We are located between Hwy. 10 and Central Avenue (Hwy. 65) and 89th Avenue NE in Blaine. If you are coming from Central Avenue, turn West on 89th Avenue and we are approximately a ½ block on the right hand side. If you are joining us from Hwy. 10, 89th Avenue is the road between Toy’s “R” Us and Kmart. We are on the left hand side about a mile from Hwy. 10. If you need further help, or more specific directions, please call us at: 783-4868.

Take full advantage of the opportunity to meet individuals in the Lending and Real Estate market and get your questions answered. Learn about the process from the pre-approval to the closing. Our guest speakers are here to answer your questions.

We provide an informative manual and several handouts for your convenience.

This is the beginning to successful Home Ownership!

Sincerely,

Carin
