

INSTRUCTIONS FOR COMPLETING 2019-2020 MINNESOTA ENERGY PROGRAMS APPLICATION

The application is used to apply for the Energy Assistance Program (EAP), the Weatherization Assistance Program (WAP) and the Conservation Improvement Program (CIP). The Minnesota Energy Programs Application is available in Spanish or in large print from your Service Provider or online at <http://mn.gov/commerce/consumers/consumer-assistance/energy-assistance/>

To apply for the Energy Programs, you must send to your Service Provider:

- The completed application with all questions answered and the last page signed and dated.
- A copy of proof of all income received in the last 3 full calendar months for each household member
- A copy of your last electric bill and heating bill or receipt for delivered fuels.

Failure to provide required documents may result in delay or denial of your application.

Social Security Numbers (SSNs): SSNs are required for all applicants unless you are applying as an eligible non-citizen (for example, a permanent resident, asylee, refugee, etc.). If you do not provide verifiable social security numbers or valid immigration documentation, your application cannot be processed. If you are an eligible non-citizen, you may be able to apply without an SSN. Contact your Service Provider for information on the required documentation. If you or some member(s) of your household are ineligible non-citizens, your household may still receive assistance if any household member is a citizen or eligible non-citizen. Contact your Service Provider for details. AUTHORITY: Section 205(c)(2)(C)(i) of the Social Security Act, 42 U.S.C. § 405(c)(2)(C)(i). USE: The State will use SSNs in the administration of EAP to check identity, prevent duplicate participation, and determine eligibility for public benefits. Your SSN will also be used to obtain wage and unemployment compensation information from the Minnesota Department of Employment and Economic Development (DEED), verify information supplied on the application, and to prevent, detect, and correct fraud, waste, and abuse.

Non-Citizen Applicants: To get help from Minnesota Energy Programs, you must be a citizen or in the United States (US) legally. **Energy Assistance benefits are not counted in public charge determinations.** You can apply and get help for other eligible household members, even if you or some household members are not eligible because of immigration status. Members of your household who are eligible non-citizens and applying for help must show proof of their immigration status. Give a copy of both sides of immigration cards or other documents that show immigration status for every household member who is an eligible non-citizen and applying for help. All household members, regardless of immigration or citizenship status, must provide their income information, but only those who are citizens or eligible non-citizens will be counted as household members. Contact your Service Provider for specific information about what is required for your situation. **We will not share information about you with the US Citizenship and Immigration Services (USCIS) without your permission.**

PART 1. Personal Information: Fill in the Social Security Number (SSN), name, current home address, phone number, and contact information for the primary household member. Contact your Service Provider if anyone in your household is unable to provide an SSN. You may be able to use an alternative legal document number or documentation of your eligibility for public benefits.

PART 2. Household Information: Fill in all the information for everyone living in your home. ALL people living in the home are household members if they share the kitchen or other living areas in the home. Live-in care providers are not counted as household members if you have proof from a health care provider that daily medical care is required. Non-custodial parents may include their minor children as household members.

Sources of Income and Other Assistance:

- Mark (x) for all income and all money received by each household member in the last 3 full calendar months.

Proof of Income by type:

- **Wages:** Check stubs or a signed, dated statement by your employer (including employer name, address and phone number) stating gross wages. EAP may use your SSN to verify wages reported to DEED by your employer. For follow up on unreported wages, please indicate the number of employers each household member had in the past 6 months.
- **MFIP, DWP, GA:** Statement from the county showing monthly amount or bank statements.
- **Spousal Support or Alimony:** Check copy(ies), bank deposits, or a note signed by the payer stating the amount and dates of received payments or other proof of amount received.

EAP may verify this income directly with DEED.
- **Self Employed, Farm, and Rental Income:** The first 2 pages of your most recent IRS-1040 tax return and Schedule 1. If you did not file taxes, call your Service Provider and ask for a *Self-Employment Form*. Enter the date your business started in the space provided on page 2 of the application.
- **Interest, Dividend:** Bank statements or your IRS-1099 or IRS-1040.

- **Retirement Income including IRA income:** Benefit checks/stubs, bank statements or award letter.

****Please send only copies of your proof of income. Originals will not be returned****

PART 3. Housing Information: Check the type of housing you live in, how long you have lived there and your monthly payment. If you are a renter, tell us if you receive a housing subsidy, if you pay heat or electricity, and your landlord's name, phone number and address. - Enter the name of the heating and electric company providing energy to your home.
- Include the name on the account and the account number.
- Wood, corn, pellet or other biofuel users: Show how much of your heat it provides. Do you cut or grow your own wood, corn, pellets or other biofuel? Enter the number of bedrooms in your home.

- ANY missing information may delay decisions regarding your eligibility and benefit amount.
- Your Service Provider may be able to help you pay your past due energy bills and/or arrange a monthly payment plan with your heating and/or electric company.
- Your application will be processed as quickly as possible. You will receive a letter when your application is completed.

Important Notice:

The Energy Assistance Program may provide eligible households with energy crisis assistance. Write down the name and phone number of your Service Provider and call them if:

- Your energy services are or will be shut-off,
- You are unable to get a delivery of fuel, or
- You own your home and your furnace is not working.

Weatherization Assistance Program (WAP) Income Eligibility Guidelines

You may be eligible for the Weatherization Assistance Program (WAP) even if your household's income is higher than the EAP limits. WAP provides free home energy upgrades to income-eligible homeowners and renters to help save energy and make your home a healthy and safe place to live. For income eligibility please refer the Minnesota Weatherization Assistance Program at <https://mn.gov/commerce/consumers/consumer-assistance/weatherization> or call **1-800-657-3710**

Cold Weather Rule Protection: If you use natural gas or electricity to heat your home or you need electricity to operate your thermostat or furnace fan, you may be eligible for Cold Weather Rule protection between October 15 and April 15.

- The Cold Weather Rule helps protect your service from disconnection or can help you get your service reconnected.
- **To get Cold Weather Rule protection, you MUST contact your energy companies and make and keep a payment plan. If you miss a payment, you lose your protection and you could lose your heat.**
- If you receive Energy Assistance, you pre-qualify for Cold Weather Rule protection. The Energy Assistance Program is not a payment plan and will not replace what you need to pay.
- Service Provider staff can help you make a reasonable payment plan with your energy companies.
