## **Early Childhood Professional Learning Communities\***

Sponsored by Child Care Aware of Minnesota Metro, Early Childhood Professional Learning Communities are an extended learning opportunity to foster collaborative learning among colleagues in the field.

This is a place for you to meet with other providers, learn new things, help each other be successful, share what you know, and what works for you! Your experience providing early childhood education is important for children. Your thoughts, ideas, and wisdom will lead the discussions along with Special Guests!!! This professional opportunity is offered at no cost to you. We hope you will join us!!

### **Anoka County**

6:30-8:30pm

Third Tuesday

### **Washington County**

6:30-8:30pm

Third Thursday

We do not meet in January or July.

**Watch for information about upcoming topics in our bi-monthly newsletter, *ECE Chronicle*, and in monthly emails from Annette Borman.**

If you need an interpreter, please contact us seven (7) days before the event.

\*Professional Learning Community meetings are not Develop approved training events. These meetings are an opportunity to learn with, and from, your fellow early childhood educators about various topics. Participants will receive a letter confirming their attendance. Please check with your licensor regarding whether they will accept this letter towards your annual training requirements.
